SECOND  
DECLARATION OF  
PLAINTIFF  
KYLE LYDELL CANTY

Plaintiff KYLE LYDELL CANTY hereby declares:

I indeed was at the "Black Live's matter"  
protest Not ON July the eighth or ninth, but  
on an earlier date, I was there. "question of law"

I never had any conversation with anybody  
regarding guns, bullets, or extended 30 round  
magazines, as I put on the record in Court

I am a Photographer and Videographer and I was at the "Black lives matter" protest filming with my Samsung Galaxy note Cell phone, I also was a part of this very peaceful march, pursuant to my secured rights under the First amendment of the United States Constitution.

After I got a good amount of video footage and pictures I decided to leave the march, besides this fact I knew I was being followed again by undercover agents.

When I walked to Third Ave and Pike known as the blade, I was approached by undercover agent "Sonja Fry" of the Seattle police department

Detective and undercover, plain clothes Caucasian female named "Sonja Fry" of the Seattle police department asked me several questions such as "hey what's going on?" (Quote) I responded with "oh nothing just coming from the protest" (Quote)

I Was getting tired of this Woman that I didn't even know asking me questions about a protest, so I pulled out my phone and showed her photography pictures that I had taken, and in order to get rid of this Woman I on purpose showed her a X-rated picture of another Woman, and then I started laughing and told her "I have to go"(Quote) "Sonja Fry" tried to follow me from a distance but I broke fast and lost her. I was thinking to myself "She's Kind of Cute but more than likely a Cop", based upon all of the baseless questions she asked.

Later on that night while at a local Homeless Shelter, I showed a lot of people the video footage from the peaceful march, and then I went to bed. In conclusion I have been facing chronic homelessness in Seattle WA, for about four years now.

under penalty of Perjury
